

Community Cabin - *Book Swap and Toy Swap*

What is a book swap and toy swap?

The book swap and toy swap are collections of pre-loved books, toys, and games for families to share. They were created by the school to promote reuse, encourage reading and play, and support families.

Why do we need a book swap and toy swap?

These swaps help families save money while giving children access to “new-to-them” books and toys. They also encourage a love of reading and imaginative play, while reducing waste and supporting a more sustainable lifestyle.

When and how can I access them?

Families can access the book and toy swaps at the end of each school day, entering through the community garden.

Donations

- Anyone can donate items throughout the year. Books should be clean and in good condition. Toys and games should be clean, complete, and in good working order. Please securely bag your items and give them to a member of staff or leave them in the cabin.
