Recount diary
Explanation
Recount Review: The Dream Giver

Poetry

Emotive Poetry - I Met at Eve
Descriptive poetry- Castles
Conversational Voices in the Park, Anthony Browne

Welsh -

Authentic Goal-Visit to the local grocery market or cafe and write a simple recount in the past tense.

-Creating a 'international food passport'

Beth wyt ti'n gallu wneud?

Ble est ti ar y penwythnos?

International Language - French

Science & Technology

Food preparation and hygiene

Creating advertisements using digital technology

Exploring how food is grown, harvested, and reaches our plates.

Identifying the origin of different food types: plant or animal.

Exploring where in the world different fruits and vegetables are grown - what are the best conditions?

Observe the process of growing produce.

Investigate plant life cycles and growth needs.

Understand the environmental impact of food choices.

DT - Creating a reusable product

Byd Bendigedig Where does our produce come from?

In this topic, pupils will explore the journey of food from farm to table. In Humanities, they will investigate food origins, global trade, and the environmental impact of food distribution, with a focus on UK and Welsh farming. Health and Well-being lessons will highlight healthy eating and the cultural significance of food, including fair trade. In Science and Technology, pupils will learn food preparation, hygiene, and use ICT to create advertisements and calculate costs for a class café. Mathematics lessons will develop skills in measuring, weighing, problem-solving, and pricing for financial sustainability. In Languages, Literacy, and Communication, pupils will write letters, design posters, and explore food-related texts, while practicing Welsh and other languages. The project will conclude with an International Café Day, where pupils will serve global and local dishes, demonstrating their learning and celebrating the power of food to connect communities.

Mathematics & Numeracy

- Symmetry
- 2D, 3D shapes and nets
- Money
- Multiplication and Division
- Movement and Coordinates
- Statistics and Data - Probability
- Fractions and Decimals
- Capacity and Volume
- Time (analogue and digital)

Expressive Arts

-Appraising the artwork of William Morris and Giuseppe Arcimboldo.
-Creating artwork inspired by William Morris

Clay Modelling - Creating ornaments of produce.
Creating figures for a diorama scene

Art - Observational drawing and using different art media

Sewing - Creating fruit and vegetable finger puppets.
-Making bunting for our cafe.

Health & Well-being

Jigsaw- Relationships
-Family roles and responsibilities
-Friendship
-Keeping Myself Safe Online
- Being a global citizen
-Celebrating my web of relationships

Healthy Eating and food choices
Respecting different cultures and foods

PE- Athletics and Tennis

Humanities

-Origins of food through history
-Global trade and impact on the environment
-History of farming
-Conducting enquiries (where does are produce

How can I support my child this term?

Language, Literacy & Communication

Read with your child

Use [Accelerated Reader](#) regularly at home

Use Google Classroom to access spelling lists

Play simple [Welsh games/apps](#)

Explore the amazing international resources available FREE through Cerdd Iaith at <https://listeningtolanguage.com/resources/>

Science & Technology

Research a range of scientific concepts together at home (see above)

- Experiment at home by completing simple experiments
- Have FUN with science
- Balance screen time when developing digital skills
- Starters for [STEM free ideas](#)
- Grow your own produce at home

Mathematics & Numeracy

Use the following online tools to develop math topics with your child at home

- [Mathletics](#)
- [Mathbot](#) Puzzles & Question generator
- [BBC Bitesize math](#)
- [Hit the Button](#)

Byd Bendigedig - Wonderful World

Where does our produce come from?

Humanities

- Visit a local market
- [Topmarks games](#)
- Recount/Audit where fresh food produce comes from in your weekly shop
- [BBC Bitesize - mapping the world](#)
- [World Geography games](#)

Expressive Arts

Access the [Charanga](#) music platform to develop musical knowledge and techniques at home.

Health & Well-being

Find ways to develop health and wellbeing together as a family. You could try:

- Eating meals together (without phones)
- Helping others
- Sharing family memories (e.g photos/videos)
- Being active as a family
- Creating new recipes using different produce

Educational Visits/Workshops
