Pupil Parliament 2022-2023

Senedd y Plant

Pupil Voice permeates all aspects of
Blackwood Primary School.

It is really important that
children in this school are listened
to and valued!

Each term, children state their ideas about their new class topic and think of things they would like to learn about.

These ideas are displayed and shared.

The four purposes are the basis of all our learning opportunities.

Each year we have a democratic election where children are elected for a number of Pupil Voice groups such as

- School Council
- Eco Council
- Sports Council

All of these groups make up our **Pupil Parliament**. Each group then states what their aim is for the year and creates an action plan which is reviewed regularly.
